Open House 6 October 2023

Welcome to Korea University GSIS

Visit the KU GSIS website: https://int.korea.edu
Session 1: Questions

1. Why international studies?
2. Why KU GSIS?
3. What can I learn at KU GSIS?
4. How can I pay for my KU GSIS degree?
5. What can I do with my KU GSIS degree?
Session 2: Actions

Meet Professors and Explore Majors
Session 1: Questions
• Why international studies?
  • The world needs a new kind of professional.
• The world is changing.
• Challenges facing the planet today are multi-dimensional.

Requires professionals who can:

- critically and ethically evaluate challenges
- contribute individual expertise
- communicate across specializations
- integrate disparate views and specialized knowledge
• Why KU GSIS?
  • International student body, engaged faculty, customizable curriculum
• Tailored professional development
  • Chart your own course to fulfill your individual vision.

- Each student curates their own curriculum.
- All courses are taught in English.
- Students come from around the world.

293 students from 58 countries
Events
Lectures, workshops, and other events are happening all the time.

- Own Business
- Public Institution
- Education
- Private Firm
- INGO
- NGO
- Further Education
- Other

Total survey respondents: 121
• **Application tips**
• Your SOP is the most important document.

- Request documents and recommendation letter as soon as possible.
- Your SOP is the most important document:
  - Don’t tell us you are diligent and hardworking. We know.
  - Don’t simply summarize content elsewhere in your application.
  - Do explain what makes you unique. Tell us your story.
  - Do be clear about what you want to learn.
  - Do explain your motivations for studying your topic of interest.

- More information can be found here:
  - https://www.cuzproduces.com/producinganew/contents/graduate-applications
Session 2: Actions
• **Int'l Development and Cooperation (IDC)**

Explore interactions among states, international organizations, aid agencies, and individuals in reducing poverty and inequality, achieving sustainable development, and addressing climate change
