CAMPUS ASIA Risk Management Short Term Program
at
Graduate School of International Cooperation Studies (GSICS), Kobe University

Kobe CAMPUS Asia Program is pleased to announce a call for applications to our CAMPUS ASIA Short Term Program here at GSICS, Kobe University.

Theme: Risk Management and Disaster Prevention

Aim: Guest participants of this short term program will take the 8-day intensive class on Risk Management. The class offers the key approaches to the analysis and application of risk management and disaster prevention through studying various cases of natural and man-made disasters. The class includes a fieldtrip to research institutes and offers opportunities to discuss Japan's approach to disaster prevention with policy experts.

Benefits: Tuitions are free.

The stipend (50,000 JPY in total) are most likely provided by Kobe University^{※1}.

Free access to Kobe University Library

Permission to attend some GSICS classes as an observer

※1 The stipend arrangement will be confirmed on April 14.
