- 03** Support Program for Participants and Fellows
- 04** Selection Procedure and Schedule for Participants and Fellows

What is BK21?

What is BK21?

➤ What is BK21?

: The Phase 4 of Brain Korea 21 Project (Henceforth BK21) is the government scholarship program for the graduate studies in Korea to promote the research-based universities in Korea. (2020.9~2027.8)

➤ The structure of the Phase 4 of BK21

✓ Future Talented Human Resource Training Project

: Enhancement of research capabilities in basic and core academic field and training of academic successors

✓ Innovative Talented Human Resources Training Project

: Leading innovative growth raising the competitiveness of new industries and cultivating convergent researcher to lead solving industrial and social problems

- Field of new business
- Field of Social and industrial problem

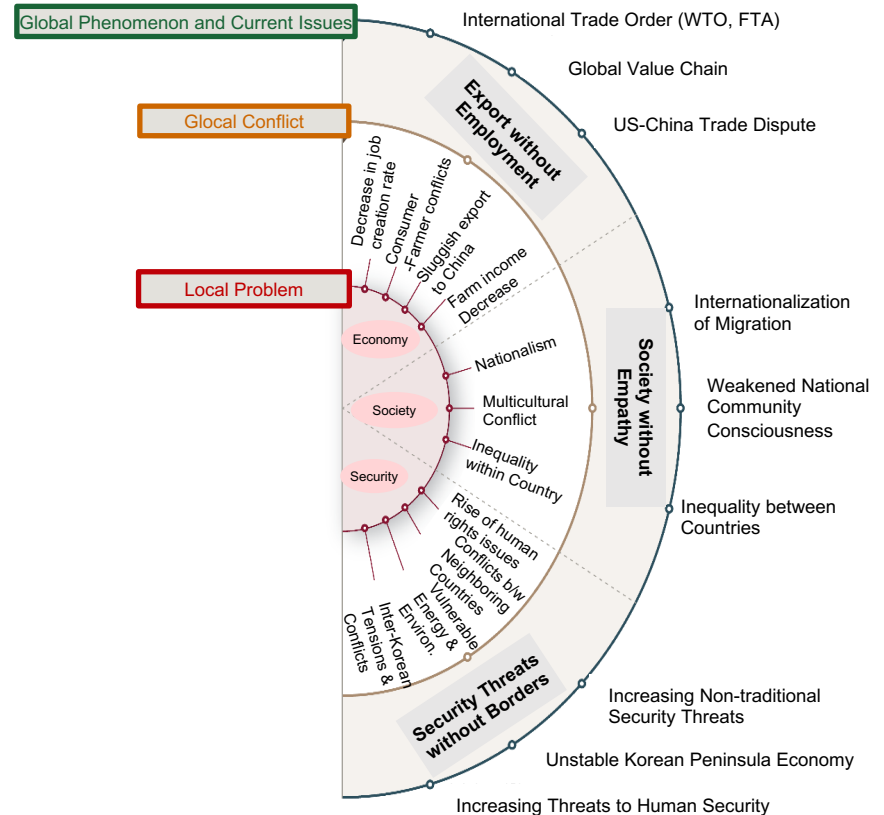

**Organization, vision, and goals of KU
GSIS BK21 Program of Glocal Studies**

1. Glocal Conflict Management

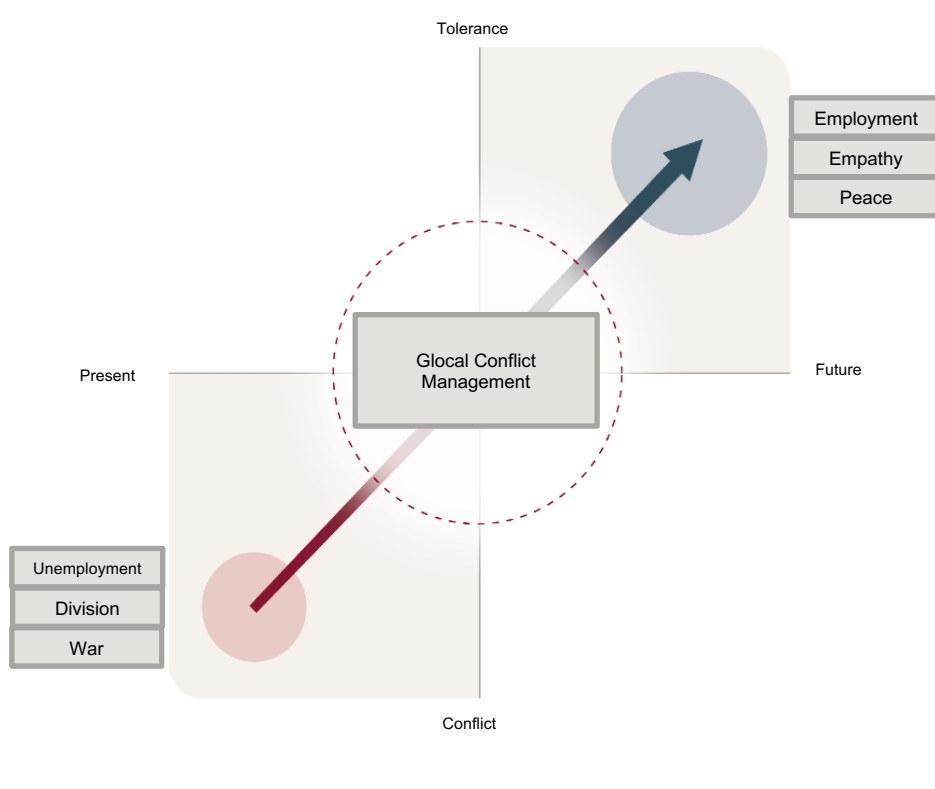

➤ What is glocal conflict management?

Glocal conflict is a conflict that combines globality and locality in social, political, and economic aspects. It refers to the factors that cause domestic problems affected by global phenomena and current issues.

Glocal Conflict Management is the process of being able to identify and handle glocal conflict through research.

2. Vision and Goals

- **Building an inclusive society by resolving glocal conflict**
 - ✓ Export growth through job creation
 - ✓ Empathy society through communication
 - ✓ Achievement of peace and human security on the Korean Peninsula
- **Training glocal conflict management experts**
 - ✓ Learning innovative policy development and analysis skills
 - ✓ Having conflict management practical skills
 - ✓ Strengthening global communication skills and leadership

3. Organization

Academic Support Program

1. Participants Support Program

➤ Who is the participant?

: A full-time graduate student led by a professor participating in the BK21 project (less than two years master's degree and four doctorate years students) who is able to devote more than 40 hours per week to related research and classes is a participant

➤ Benefits for participants

- ✓ Support for domestic and overseas academic conference participation fees and expenses
- ✓ Support short-term (about a week) field trip expenses
- ✓ Support for participation in overseas education program
- ✓ Support research activities of graduate student
 - Support publication of academic articles in a refereed-journal
 - Provide incentives for publication of academic articles in a refereed-journal
 - Hold colloquiums and special lectures by experts

2. BK21 Glocal Fellowship Program

➤ Who is the fellow?

: The fellow is a participant who receives a scholarship

- ✓ 18 enrolled students in the third and fourth semesters of the master's program will be selected by participating professors

➤ Benefits for fellows

- ✓ All benefits for participants
- ✓ Fellowship (6 months)
 - Master's student: ₩ 700,000/mo

3. Responsibilities of Participants and Fellows

➤ Responsibilities of both participants and fellows

: We anticipate both participants and fellows to participate actively in seminars, special lectures provided by experts, and workshops hosted by KU GSIS BK21 Program of Glocal Studies

➤ Additional responsibilities for the fellows

- ✓ Acquisition of “glocal conflict management expert” certificate (mandatory for Masters)
(※ Applicable to students entering the 1st semester of 2021)
 - Take courses certified by “glocal conflict management expert”
 - At least 5 courses for a master’s student
(including 2 or more subjects from “General Conflict Management Policy Analysis”)
 - Internship in a local government
- ✓ Require to select thesis track (Master’s program)

Glocal Conflict Management Expert Course List

Topics	Course Number	Courses
