Baker McKenzie's office in Seoul opened in May 2013, strengthening the Firm's coverage in Asia Pacific as well as globally, and reflecting our continued expansion into high-growth markets. Our office in Seoul is the Firm's 15th office in Asia Pacific.

In November 2023, Baker McKenzie launched a historic joint venture with leading Korean law firm KL Partners to form Baker McKenzie & KL Partners Joint Venture Law Firm. With 6 partners and more than 20 lawyers in total, this JV will become the largest international law firm in Korea by partner bench strength, alongside over 40 legal professionals across global offices experienced in inbound and outbound Korea-related work.

Our Korea Joint Venture Law Firm and global network brings sophisticated knowledge and experience in areas of strategic importance to our Korean clients. Our practices focus on Energy & Natural Resources Development and Financing, International Dispute Resolution and Mergers & Acquisitions.
