

# *India-Korea Digital Roadshow: Customized Investor Meetings*

We welcome you to an exciting opportunity to discuss your investment plans and investor queries with the Government of India.

India – Korea Digital Roadshow will offer an opportunity to Korean investors to have one-to-one interactions with Senior Indian Government officials to:

- Provide an opportunity for Korean companies to discuss new investment / business expansion plans for India
- Address all investor queries to obtain a deeper understanding of India's favorable investor climate
- Finalize on a course of action to be followed to fast-track the company's investment journey in India
